10-2-18

20

An aerial photograph showing a landscape with a prominent, winding river or stream that meanders through the terrain. The river is dark and contrasts with the lighter, textured ground. The surrounding area is a patchwork of agricultural fields, some appearing as straight, parallel lines, and other areas with more irregular, textured patterns. A black line is drawn along the course of the river. In the center of the image, the number '20' is printed. In the top left corner, the date '3-2-37' is handwritten. In the top right corner, the alphanumeric code 'AH-67-62' and the date '10-2-18' are handwritten in red ink.
