This is a black and white aerial photograph mosaic of a rural landscape. The image is composed of numerous small, rectangular photographic strips arranged in a grid pattern. The terrain is a mix of agricultural fields, some showing distinct plowing patterns, and areas of natural vegetation. A prominent, winding road or path runs vertically through the left side of the image. The overall appearance is that of a historical or archival aerial survey. The top edge of the image has a white border with handwritten text and numbers. There are also handwritten numbers '2' in the top-left and top-right corners of the white border.
