This is a black and white aerial photograph of a river valley, likely the Colorado River. The image is overlaid with a grid of thin white lines. A prominent orange line traces a path through the valley, starting from the top right and moving towards the bottom left. The terrain shows a mix of light and dark patches, indicating different land uses or vegetation. In the upper left, there is a handwritten number '21-32-78'. In the upper right, the text 'CHK-3G-152' is printed. In the top left corner, the date '5-15-50' is visible. The river itself is a dark, winding feature that dominates the right side of the image.
