S.4
Pwh

This is a black and white aerial photograph of a rugged, mountainous landscape. The terrain is characterized by numerous ridges and valleys, with a complex network of roads or paths winding through the area. A grid of rectangular sections is overlaid on the photograph, likely for land management or surveying purposes. In the center-right portion of the image, there is a small rectangular area with the handwritten text "S.4" on the top line and "Pwh" on the bottom line. The overall appearance is that of a historical or archival aerial survey.
